# Flat Woven Hat with Open Center and Black Cloth Fringe (T04413)

62 x 42.5 x 12 cm (212 g)

Flat woven, disk-shaped hat with black fabric. There is an opening in the center of the hat. Black fabric is around the opening. There is also ruffled black fabric surrounding the outer circumference of the hat. The black ruffled fabric is in two separate sections, each covering half of the circumference of the hat. The fibers on the hat are woven into a zigzag pattern. There is a reddish brown glaze or varnish covering the fibers. The glaze is darker in some areas and in some other areas there are dark particles imbedded into the varnish. The back side of the disk-like hat is unvarnished but has the same zigzag woven design. A wooden band surrounds the outer circumference on the backside of the hat. The wooded band is attached to the hat with fibers.

# Tyrolean Hat with Feather and Pins (T04416)

27.7 x 15.9 x 12.8 cm (153 g)

A flexible, forest green colored Tyrolean style hat made from soft, thick felt material. The hat's general shape consists of a rounded domed upper portion (which covers the top of the head when worn) and an upturned brim around the entirety of the bottom of the domed portion. The brim is upturned more sharply around the hat's back edge. A smooth, twisted cord is wrapped around the hat (where the dome portion curved out transitioning into the brim) three times and is secured in a loop on one side (the left side when worn). Various colored metal and plastic pins, many of which are in the shape of shields/crests with German words, are attached to the hat with the large majority of them positioned near the object's back portion. Three rough/frayed looking feathers (one gray, one yellow, and one red) are attached together on the (right) side of the hat along the wrapped cord. The hat's interior is plain and unlined but has two labels affixed to it. One label is a small, horizontally oriented oval shape positioned near the rear of the hat along its bottom edge. The off-white number "53" appears at the center of the label surrounded by similarly colored dotted and solid borders.
